

Activoil™ Echnidium ZRO is made from 3 main components: Echium seed oil as the matrix enhanced with an antioxidant and an extract derived from Cnidium monnieri enriched in osthol. Echium seed oil is a rare source of stearidonic acid while Cnidium monnieri is a small red berry used in Traditional Chinese Medicine. All those 3 components are combined in a stabilized and ready-to-use ingredient.

## Clinical actions

- Prevents and repairs <PM2.5-induced barrier damage
- Prevents and repairs <PM2.5-induced irritation
- Provides soothing action against chemical stress

## Technical information

- Echium Plantagineum Seed Oil, Octyldodecanol, Octyldodecyl Oleate, Octyldodecyl Stearoyl Stearate, Cnidium Monnieri Fruit Extract, Rosmarinus Officinalis (*Rosemary*) Leaf Extract
- 100% Oil soluble
- Stabilized against oxidation
- Recommended use level: 1-3%
- Ideal for:
  - Sensitive skin
  - Compromised barrier – dermatitis
  - Occupational exposures
  - Functional improvement of barrier function
  - Prevention of environmental stress induced skin damage
  - Anti PM2.5 protection
  - Deep-skin detox solution
  - Protection from micropollutants
  - Urban protection
  - Purifying skin care
